

MISSION STATEMENT

To advance the future of healthcare and nursing, and create positive work environments in Michigan through innovative nursing leadership and education, public, advocacy and leadership development.

OUR VISION

Develop a strong Network of nursing leaders who will speak in one Voice and be catalysts for partnerships that impact and strengthen health care delivery systems.

OUR CORE STRATEGIC INITIATIVES

Fiscal accountability to support our strategic imperatives
To be a leading authority in influencing healthcare policy and delivery in Michigan
Create a culture of membership engagement
Leadership development for current and future nurse leaders
Strengthen MONE to have a prominent position and positive image for nursing in Michigan.

KEY RELATIONSHIPS

AONE, MHA, affiliates, consumers, healthcare partners.
